Frank's Tubular Running Services (TRS)

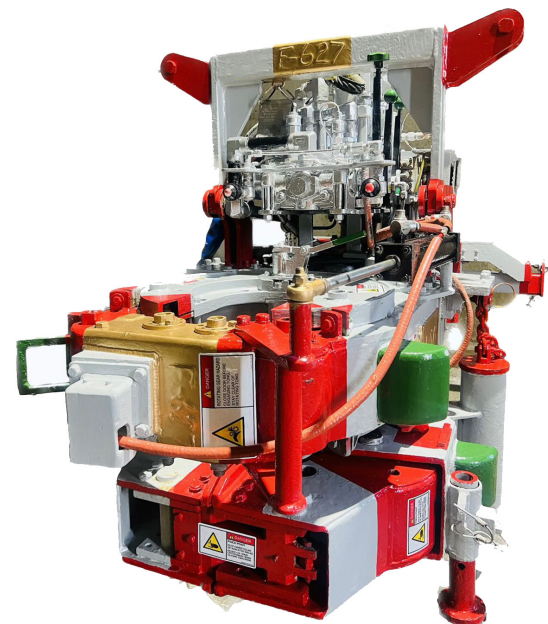

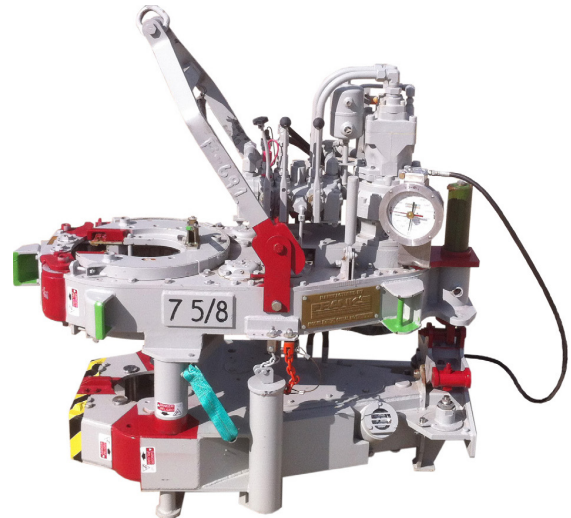

7 5/8" Tong with Backup

Expro designs and manufactures power tongs to meet the strict criteria of our customers. Expro inventories over 3,000 hydraulic power tongs in different models, sizes, and torque capacities, ranging from tubing sizes up through 38 inch casing size.

All Expro tongs are equipped to work in conjunction with the DATA-TREK®, as well as tong door Interlock system for safety, and may be equipped with integral backups.

Features and benefits

- Local control or remote control
- Mechanical shift
- Torque measurement with hydraulic load cell and/or DATA TREK® Advantage Torque Turn Monitoring System
- Multiple configurations available inclusive of hanging, hanging remote, Tong Pusher Arm compatible, Tong Manipulator Arm compatible, Iron Roughneck Cassette, and Wide Track Cassette
- Can be used in close proximity configuration for screen runs during completions
- Various die configurations optimized to minimize marking on CRA tubulars

Specifications

Size range	2 3/8 inches - 7 3/4 inches
High gear RPM / torque	60 / 5,600 ft-lbs
Low gear RPM / torque	11.3 / 30,000 ft-lbs
Weight	2,250 pounds [1,020 kilograms]
